## Work Experience

### Software Development Intern | Informatica, Bangalore (Aug 22 – Present)

- Developed UI features and components using React JS on Informatica MDM.next.
- Streamlined backend processes and optimized overall performance using Java and Springboot.
- Fixed bugs and resolved over 45 JIRA issues, ensuring seamless product releases.
- Implemented new features based on customer feedback to align with their requirements.

## Projects

### Apna Theatre | Web (HTML, CSS, JS) |

- Apna Theatre is a movie streaming website that allows users to watch movies, web series, and TV shows of different genres.
- The theme of the website is quite similar to Netflix with a slightly different user interface and it has some cool features like email authentication, OTP verification, payment gateway integration, and movie search.

### Voters Registration Portal | Web (HTML, CSS, JS) |

- The Voters Registration Portal is a website where all eligible Indian citizens can register for the electoral roll.
- It is a multi-lingual site with features like audio captcha verification using API, chatbot, and many other splendid features.

## Open-Source Contribution

### Project Admin & Mentor | LGM Summer of Code (Jun 21 – Aug 21)

- Introduced newbies to the world of open source and trained them in getting acquainted with Git, GitHub, open-source, and web development. Open-sourced 4 projects, 150+ issues resolved and 300+ pull requests merged.

## Skills

Programming Languages | • C • C++ • Java • Python • R

Web Development | • React JS • HTML • CSS • JavaScript • TypeScript

Database | • SQL • MySQL • DBMS

Tools | • Git • GitHub • Bitbucket • VS Code • Eclipse • MS Excel • Jenkins • JIRA

Other Technical Skills | • Data Structures & Algorithms • Problem Solving • Data Analysis

## Achievements

- Gold Medal in the 7th International Humanity Olympiad.
- All India Rank 49 in the National Engineering Olympiad 4.0.
- Rank 82 in the Red Hat IT Aptitude Test – India 2021.
- Multiple Time Quiz Champion at School, University, District, and National level.

## Education

Lovely Professional University, Punjab India | CGPA – 8.46/10

Bachelor of Technology in Computer Science and Engineering (2019 – 2023)
